**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My household has upgraded from DSL to fiber. This has improved my efficiency when working from home. We are using a competitive independent ISP for this service. They offer lower rates, more plan flexibility, and far better service than AT&T and Comcast.

Please do not change regulations in a way that would stifle this healthy competitive market. The outcome would likely be higher costs and degraded service for my household.
